

How to Enable the PrinterOn PayPal Application

The following steps outline how to set up a PayPal Business Account and then configure your PrinterOn Service to work with PayPal.

Creating a Business Account for PayPal

1. Go to www.paypal.com
2. Click Sign Up
3. Choose a Business Account
4. Complete the form & click "Continue"
5. Complete the form & Captcha
6. Agree to the terms & click continue
7. Log into the email account you used to register and confirm your address
8. Click My Business Setup
9. Add PayPal for Digital Goods (Express Checkout)
10. Fill in the form - under "Sales Venue", select "Other" and enter "Mobile Printing through PrinterOn"

How to sign up for the Micropayments plan (5% + 5 cents/transaction)

1. Log into www.paypal.com
2. Click "My Business Setup"
3. Click "Start Now" in the Payment Solution box
4. Click "Learn more and sign up" in the Micropayment pricing box
5. Click "Agree and Sign Up"

How to enable the PayPal feature

1. Login to the Admin area of printeron.com through the "Manage My PrintSpot Service" link on the home page
2. Enter your Printers area 
3. Click Payment And Authorization
4. Check off Guests will be charged for printing
5. Enter the price per page and check off Integrate with PayPal **NOTE:** You may enter a minimum charge per job
6. In the Receiver Email field, enter the PayPal Business Account login
7. Click Save
