

PrinterOn Enterprise 4.2.1 - Release Notes

Version 4.2.1

Product Changes and Enhancements

PrinterOn Enterprise 4.2.1 is a maintenance update primarily focused on print performance improvements, and fixes for specific customer issues.

This release supersedes the 4.2.0 release and should be used in all cases.

IMPORTANT NOTE: You can only upgrade to PrinterOn Enterprise 4.0 from version 2.5.1 or higher. For upgrades from previous versions, please update your software to the latest version of 2.5.1.

PrinterOn STRONGLY recommends upgrading all servers to version 3.2.7 before upgrading to 4.2.0 for the best upgrade experience.

Product Changes and Enhancements:

- **Improved – PDF Rendering Improvements** (CSOPAS-2901)
With this release, PrinterOn has upgraded to the latest version of PDFium, improving the performance when rendering PDF documents.
- **Improved – Configuration Manager Login Page UI Improvements**
This release includes an improved Configuration Manager login page. The page now includes additional information to clearly state that it is the Administrator account that the user is logging into, and the version of Configuration Manager is now clearly labeled on the page.
- **Improved – Documentation Improvements** (CSOBOB-3)
Added information to PrinterOn Configuration Guide that clarified the path to the properties file to be modified. It also highlights that you must restart the Configuration Manager before the password is reset.
- **Improved – Security Improvements** (CSOSCPS-6282)
This release includes a small number of few targeted security improvements to augment PrinterOn's world-class security.
- **Fixed – Issues printing from Google Cloud Print** (CSOSCPS-6273)
Addressed an issue where, when attempting to print an 11x17 print job through Google Cloud Print, the job was incorrectly being identified and printed as 8.5x11. With this release, 11x17 print jobs are not correctly identified and are printed in the correct format.

NOTE: These release notes and previous versions may be found on the PrinterOn on website at <http://www.printeron.com/support/product-releases.html>
